"A GROWING NEWSPAPER ☆ IN A GROWING COMMUNITY"

Volume 51, Number 14. CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA Thursday, February 21, 1946

☆ 'round town

with Betty Allen... ☆

Everything seems to be set for Old Settlers' Day and everyone is ready for the celebration. Seems too bad there aren't any beards, though.

★ ★ ★

Lots of excitement around town Tuesday morning with the anticipated trip from Santa Cruz of the jury with McMonigle. News of the cancellation was slow in arriving and there were several jittery photographers and newsmen from the city standing around worrying.

★ ★ ★

Read that a 12-year-old girl piled up the best record in the clothing drive for overseas relief. She is Mary Jannon Hines of Lookout, Modoc County, who had only 80 residents to get donations from. Under her leadership they gave 500 pounds, or an average of 6.2 each, which was the highest individual average in the whole country.

★ ★ ★

With the necessity of another election for the cannery workers it may be that new workers will find themselves "rushed" as college freshmen do.

★ ★ ★

The Curry building is getting all slicked up. Work is progressing on the expansion for Clark's drug store on the corner and the entire upstairs has been redecorated. Lico's grocery has been rearranged to make it more convenient for both customers and the employees.

★ ★ ★

Last Sunday the firemen worked hard polishing the engines for the parade and went home to spend the balance of the week hoping there wouldn't be a fire to get them dirty before the big event.

★ ★ ★

There's a sign on the road to Salinas which I find fascinating: "Frozen Drinks". Wonder how you drink them!

★ ★ ★

Cecil Menard became a civilian yesterday at Camp Shoemaker and will join his father in working for Gilpatrick and Standish, Campbell contractors. His family settled here while he was in the service and are pleased that he likes it as much as they do.

★ ★ ★

If you didn't read the article on San Francisco in the Saturday Evening Post last week, borrow one and do so. Everyone who has ever been there or wants to go, will enjoy it.

★ ★ ★

Mrs. Joe Rodriques of Billie's Beauty Shop has become adept at ceramics which she studies in her spare time.

★ ★ ★

Did everyone see Mrs. N. A. Cowdery's clever contribution to Frank Freeman's "Here 'Tis" last week?

Alpha Apartments Sold

The Alpha Apartment on Campbell Ave., adjoining the Campbell Hotel, have been sold by Mr. and Mrs. Ethan Lanphear to Mr. and Mrs. Terrence De Bernardi of Sunnyvale. The new owners plan on moving the apartments to the rear of the lot and erecting new store buildings on the front of the lot facing Campbell Ave.

De Bernardi now operates an auto court in Sunnyvale. The sale was handled by Guy Farley.

Mrs. Boyce Loses Sister

Funeral services were conducted last Saturday for Hrs. Ella C. Dawson, sister of Mrs. Sue Boyce of Campbell. Rites were held at 10 a. m. from the Chapel of the Roses, Oak Hill Memorial Park, with interment there.

Every week a name will be drawn from our list of new subscribers and printed in the classified ad column. The person whose name appears there may receive two free passes to the Campbell Theater by calling at the Press Office. Look and see if your name is there!

Spectacular Blaze Destroys Cambrian Hardware

Adjoining Pepper Tree Market Damaged By Fire and Water

Fire of undetermined origin completely destroyed the new Cambrian Hardware and Feed Store on the San Jose-Los Gatos Highway at Union Ave., last night and also damaged the adjacent Pepper Tree Market. Less than a year ago the feed store on the same property was levelled by fire which began approximately at the same place at almost the same time of evening.

Frank Coombs, owner of the property, estimated damage at about $50,000. In addition to all the stock and fixtures, several new electrical appliances including a new refrigerator and stove were demolished by the flames.

Efforts of the firemen and a strong fire wall saved the Pepper Tree Market from serious fire damage, but the stock was severely damaged by water. The grocery is operated by E. F. Ballott and Harvey Sheeder.

Completely demolished in the previous fire, the house next to the hardware store, owned by Mrs. W. B. Higginbotham, which is in the process of being rebuilt, was saved this time.

Although the scene of the fire was outside the Campbell fire district, Campbell responded to the alarm as did Alma. The arrival of Alma's big pumper is believed to have kept the fire from demolishing the grocery store.

The new hardware store, jointly operated by Frank Coombs and G. A. Horton, opened only in January and was equipped with the latest types of fixtures and display equipment. Mrs. T. B. Robison discovered the blaze and called Coombs who turned in the alarm.

A large crowd formed to watch firemen battle the flames and representatives from the sheriff's office were on the scene to assist. Until early in the morning a fire engine stood by in case of further trouble.

Planning Commission Meets

At last week's meeting of the planning commission the application of Leo Piazza for gravel property rezoning was denied because it interfered with rights of the Water Conservation District and the Kirk Ditch Co.

The commissioners also voted to allow a variance on zoning previously denied Paul T. Oeser, owner of the Winchester Hatchery, who desires to expand his chicken business on his property which consists of 20 acres.

Son Born to Gordons

Mr. and Mrs. Richard O. Gordon, E. Campbell Ave., are receiving felicitations on the birth of a son, Max Arthur, at the San Jose Hospital last Saturday. The young man has an older sister and brother, Laura and Kenneth. Mr. Gordon is an instructor at the grammar school.

Grandparents are Mr. and Mrs. Homer Tweed of San Francisco, and Mr. and Mrs. S. S. Gordon of Santa Cruz.

Sgt. Bohnett Visits Family

Sgt. Lois Bohnett, WAC, daughter of Mr. and Mrs. W. C. Bohnett, is visiting at the home of her parents while on furlough from her post in Washington, D. C. She has as her guest Sgt. Rosalind Levy, WAC, of Fort Meyer, paying a first-time visit to California. On Saturday the Bohnetts and their house guest motored to Carmel.

Californians Win 18th Game

By AL CARTER

On Monday evening the Campbell Californians invaded Moffett Field and won from the Moffett Junior Varsity by a score of 63 to 51, making their 18th successive win in as many starts in this season's basketball competition.

In the Open League in San Jose the Californians won over the Food City team of Mt. View by a score of 36 to 25.

Last Friday night the local quintet took a 50 to 48 victory over the San Jose State Reserves.

The Californians will start the AAU competition in San Francisco this coming weekend. Local players for the Californians are: Sandy Hedegard, Bud Bachman, Al Carter, Don Snow, Paul Borg, Kay Borg, Byron Tonascia, and Bert Robinson. Mac Michaelis from San Jose and Bob Pouey, Pete Denevi from Los Gatos, completes the roster for the Campbell club. Don Duckgeischel manages the team.

High School Has Skating Party

This afternoon from 4 to 6 is the time set for the Campbell Union High school skating party at Rollerland on The Alameda.

Dance Plans Are Ready

Plans are being completed for the dance to be given for Campbell young people at the Woman's Club Saturday evening under the leadership of Mrs. H. C. Nelson. Assisted by a group of friends, Mrs. Nelson is planning the dance in response to the need of recreation for teen-agers in Campbell.

In addition to students in Campbell, those attending Santa Clara, Lincoln and Los Gatos schools have been invited. During the dance, punch and other refreshments will be served. Hours will be from 8:30 to 11:30 p. m.

Eartquakes Discussed

Dr. Albert J. Newlin, county clerk, was the guest speaker at Tuesday's Kiwanis luncheon. He is in charge of the observatory at Santa Clara University and explained to the members and their guests the working of the seismograph and discussed the recent Northwest earthquake which, he says, is unlike any previous ones in that locality.

Guests at the luncheon were Joseph McKinnon, Harold Jepsen, and Bonnie Decker, the weekly high school guest.

Campbell To Celebrate 53rd Old Settlers' Day Friday

Parade To Start Festivities At 1:30

Plans have been completed for the celebration tomorrow which marks Campbell's 53rd observation of Old Settlers' Day and officially welcomes home Campbell veterans. Starting off the festivities will be the 1:30 o'clock parade which will form at East Campbell and Railroad Ave., and procede west on Campbell Ave. to the far side of the high school.

Leading the parade will be the high school band and following it will be representatives of civic and commercial groups. The Dehydrator and the cannery will be represented as well as smaller business houses. Also included will be the Boy Scouts from both Campbell and Moreland; a float entered by the Future Farmers of America; and delegations from Legion posts in other parts of the valley. The Gymkhana Association of Los Gatos is expected to send a detachment of horsemen.

Following the parade the annual program will take place at the high school auditorium at 2:30. Featured speaker will be Capt. William C. Dyer Jr., of Salem Orego, who is now stationed at Monterey Presidio. A war hero he wears, among other decorations, the Distinguished Service Cross for extraordinary heroism against the Germans on the Roehr River.

Other features on the program will be the posting of colors by the Legion; "The Star Spangled Banner" sung by C. P. Klassen; an invocation by the Rev. Robert Carlson, newly-ordained minister of the Congregational church; the introduction of old settlers by T. A. Cutting; a soprano solo by Miss Josephine Barbano; and the introduction of the speaker by Martin Walsh.

High light of the day for many will be the dance which starts at 8:30 in the high school gymnasium for which Bill Smith's band will play. The Santa Clara County Pomona Grange drill team will be present and will put on an installation degree. Service men in uniform will be admitted free.

Committee members who have made all the arrangements for the day are Walter Silberbauer, Guy Smith, Martin Walsh, Lowell Benson, Dave Ribble and Frank Coupland.

Seniors To Present Play March 8

"Ever Since Eve", a comedy in three acts will be presented by the senior class of Campbell High on Friday night, March 8. Tickets will go on sale this week.

The senior play is one of the outstanding school events of the year, and this year, under the able direction of Mr. Dean Chamberlin, it promises to be even better than usual.

Many of the members of the senior class will appear in this performance. Tickets may be purchased from any senior.

Von Ahrens Have Guest

Mr. and Mrs. Paul Von Ahren, 31 Neal Ave., have as their guest for an extended visit Thomas C. Furchner, formerly of San Francisco. He has recently received his discharge from the Army after service in the Signal Corps.

On Sick List

On the sick list this week are Ralph Hyde, who has been home for several days, and Mrs. Ella Kennedy and her daughters, the Misses Florence and Beth Kennedy, who have been ill with the flu.

Moves To North Central

Mrs. Clara Beebe Baldwin has moved to 25 N. Central Ave.

Bucs Wind Up Season Tonight

It will be "curtains" on a mediocre basketball season as the gun ends tonight's doubleheader in the local gym. San Jose Tech invades with two teams, the first game will start at 7:30.

Ray Fish

The "Baby-Bucs" lost a hard-fought encounter at Los Gatos last Friday night. The final 27-22 score does not indicate the fierceness of the struggle. The score was tied late in the fourth quarter, but a "hot-streak" by Gatos' Potoc gave them the edge. He finished with 16 points.

The starting "Thirties" were Ray Fish and Bill Magginetti at forwards; Don Ervin, center; and Chas. Savestrom and Dick Sakanoto, guards. Magginetti and Fish played their best game of the year and the team as a whole, put up a real fight.

Tech 30's are in second place in the standings and hold a decided edge in the pre-game dope, but the local underdogs cannot be counted out until the final gun.

The Buc varsity was smothered under an avalanche of baskets by the championship Los Gatos five to do down to a 43-17 defeat. The game was played before a packed house in the foothill town's "cracker-box" gym.

The Tech varsity will be the underdog in the feature game, but Campbell's "hot and cold" record this season means that anything can happen. Seniors Kosich, Mervyn Nelson, and Paul Meyer will be playing their last games for the Scarlet and Blue squad. Levi Estrada and Wayne Buck will probably be the starting lineup. Elmer Sweeney, a newcomer from Stockton, is expected to see action. He looked good as a sub against Los Gatos.

Mrs. Page Injured at Dehydrator

Mrs. Ida Page, Minna St., who is employed as night floorlady at the Dehydrator, was seriously injured last week while demonstrating the procedure to a new worker. Her leg was caught on the revolving chain which carries the cans of cabbage and 28 stitches were found necessary by the doctor who treated her following the accident.

New Arrival at Langford's Home

Being warmly welcomed is the new son of Mr. and Mrs. Curtis Langford, Budd Ave., who was born at O'Connor Sanitarium Feb. 15. The new arrival has been named Fraser Monroe. Grand-parents are Mr. and Mrs. William Fraser of Campbell and Mapor and Mrs. Nevin of Los Angeles.

Claude Smiths' Son Returns

W. B. Smith, son of Mr. and Mrs. Claude Smith, has returned home after 35 months as a paratrooper in the Pacific theater. He received his discharge a few months ago and has been working in Alabama since. His father is proprietor of the Richfield Service Station on Winchester Road.

EDITORIAL

OLD SETTLERS' DAY

For the 53rd consecutive year Campbell is celebrating Old Settlers' Day—a day set aside to honor the men and women who made possible the growth of this community. Once a year we pay public homage to their sacrifices and vision.

It is fitting that this day be one which is also dedicated to the memory of George Washington who shared many of the characteristics of our own early settlers and a strong faith in the future.

This year, Old Settlers' Day has a deeper meaning, for we are welcoming home our Campbell sons from the four corners of the earth and honoring their return with this annual festival. Mixed with our joy in the homecoming of our young men will be the sober memory of those who have not returned.

There is always something beautiful in a tradition which has been cherished for many years and grows in meaning with time. It is particularly worthy when the entire community shares in both the work and the fun and keeps the tradition intact for the next generation.

By DREW PEARSON

AMERICA'S OIL TWINS

WASHINGTON—Many senators believe that the confirmation row over charming Ed Pauley as Under Secretary of the Navy has taken on new significance now that Sec. Harold Ickes has offered Ralph Davies the job of Under Secretary of the Interior.

It happens that Davies and Ed Pauley are bosom friends. Both are oil men. Both have followed the policy of "scratch-my-back-I'll-scratch-yours." This is important.

Recently, Secretary Ickes, who has a crusading record for guarding the nation's resources, recommended to President Truman that naval oil reserves be transferred from the Navy to the Interior Department. It was just such a transfer by Albert K. Fall in the Harding administration that resulted in the Teapot Dome oil scandal.

No motive is attributed to the Ickes proposal except that of safeguarding oil. In fact, some people consider it significant that his proposal happened to coincide, by luck or otherwise, with the nomination of Oil Man Pauley to be Under Secretary of the Navy.

But what senators consider important is that, with Pauley's friend Ralph Davies offered the job of Under Secretary of the Interior, the navy's oil lands, no matter where they are located—in interior or navy—will be partially under Pauley or a friend of his.

MEXICAN OIL DEAL

Relationship between Davies and Pauley has been extremely close. Davies was executive vice-president of Standard Oil Company of California. Pauley sold his own independent oil company. Later Pauley brought Davies to Washington, introduced him to Ickes, following which Davies became Ickes' deputy oil administrator. He did a good job.

However, State department officials say he continued to look out for Ed Pauley.

When Pauley was trying to lobby his high-octane Mexican gasoline plant through the government, it had to pass the hurdle of Secretary Ickes' petroleum administration. Davies okayed it—not only okayed it, but pushed it vigorously. At first Ickes also gave it his blessing. The State Department, however, was vigorously opposed.

Showdown came in a secret session between Ickes, Davies, a Davies aid, and the Assistant Secretary of State Dean Acheson. The full story of this session was never really told at the Senate hearing. Acheson opened by giving Ickes a very careful diagnosis of why the Mexican high-octane gasoline plant should not be built by Pauley. He took up point after point, his main argument being that the Mexican government would have to pay such a high price to Pauley that it would sour U. S.-Mexican relations.

After Acheson has finished, Ickes turned to Pauley's friend, Ralph Davies, and asked:

"Why didn't you tell me these things?"

"I didn't know them either," replied the red-faced Davies. Then, turning to his aid, he alibied: "Why didn't you tell me these things?"

Ickes immediately reversed himself, threw his weight against Pauley. That is the real inside of how the Pauley octane plant for Mexico was stopped. Davies, of course, is an able, intelligent operator, too intelligent not to have known the main points of the Pauley plan. Pauley is equally able. He would be a good executime almost anywhere. But some senators want to think twice before putting these oil twins near the head of two departments controlling the oil reserves of the nation.

★ ★ ★

PRESIDENTIAL HUMOR

President Truman has been taking recent criticism in excellent humor. The other day he was talking with a group of friends and said:

"Apparently, no matter what I do I'm always in the middle. I say something about Palestine, and the Jews and the Arabs holler. Labor and capital get in a fight, and I am in the middle. The Russians and the British have an argument, and I am in the middle."

Suddenly the President paused, walked over to the door of his office, which connects with that of his secretary, Matthew Connelly, and called out:

"Hey, Matt, where can I buy a copy of Dale Carnegie's 'How to Win Friends and Influence People'?"

Coyote Lake To Be Stocked

Another effort to provide a potential new sportsmen's area will begin early in April, when Coyote Lake, five miles from Gilroy, will be stocked with large-mouth bass, it was announced today by Mayor George Milias of Gilroy, who heads a special subcommittee of the California State Chamber of Commerce's Central Coast Council, at work on the project.

Stock for Coyote Lake planting will be taken by the State Division of Fish and Game from a lake in the Los Gatos Creek drainage basin owned by the California Water Service Company. The first planting will be sufficiently large to provide necessary brood stock, Mayor Milias stated.

Coyote Lake in southern Santa Clara County, is easily accessible to sportsmen. It covers 30,000 acres and is one of the principal storage reservoirs in the Santa Clara County Water Conservation District. Research has indicated the lake to be ideal for development of large-mouth bass for sportsmen's fishing.

Cpl. Weeks in England

Cpl. Elvert Weeks, son of Mr. and Mrs. Morris Weeks, S. First St., has been stationed in England, near Sheffield, for the past 11 months. He is a mechanic in the Air Forces and is able to make frequent trips into London. His Campbell High school friends may expect him home in about three or four months, according to his mother who has for the past four years been making him a scrapbook from items in the Campbell Press and the San Jose papers concerning his friends in the service and at home.

Hugh Nelson Praises Red Cross

After five weeks in the U. S. Naval Hospital at Camp Shoemaker, Hugh Nelson has returned to Campbell to complete his recuperation from two operations. He has the highest praise for the Navy doctors and nurses and the care he received at the hospital, but was most impressed by the work of the Red Cross. He reports that shows were held every evening, that birthdays were remembered and celebrated and that every night a Red Cross worker stopped by the bed of each man to see if he had any requests.

"They are certainly on the job", Nelson said, "and do everything possible to help the men and to cheer them up."

While there he enjoyed the small weekly paper, published at the hospital, called "Panacea".

Mr. and Mrs. Nelson have two sons in the Navy, one of whom, Hugh Nelson Jr., is a pharmacist mate, 1/c, stationed in Seattle, Wash.; the other son, Philip Nelson, is a radioman, 1/c, now serving aboard the USS Chandleur.

Loren Smith Now at Stanford

Now studying at Stanford University is Loren Smith, son of Mr. and Mrs. Stanley Smith, Vasona Junction, whose terminal leave in the Army expired last week. He served in the European theater as a 1st lieutenant in the 460th Parachute Field Artillery and was awarded the bronze star and the purple heart.

A graduate of Campbell High school in 1941, he was attending San Jose State College prior to entering the service.

Former Resident Enjoying Paper

A letter from Alice Joy Keith, former Campbell resident who is now working in the Division of War Research at the U. S. Navy Radio and Sound Laboratory in San Diego, tells of her enjoyment of The Campbell Press.

"An old-time resident of Campbell, I wish to thank you for keeping up the high standards of The Campbell Press. The paper is full of personal interest and good civic spirit.

"The school-year, '02-'03, when we first became residents of Campbell, still stands out as the most epochal year of my life; and the dream of the time when I shall return, not for a summer of harvesting apricots only, but permanently to up my little shop on Rincon Ave., comes nearer to realization every day.

"I especially enjoyed your anniversary number and, of course the colmn, 'Looking Back'. Also your careful check on the health and illnesses of neighbors is a boon to me. News of the Country Woman's Club and of Pundita Circle, which began in my aunt's (Mrs. Mary Savage) living room is always welcome.

"Pine Mountain Settlement school in Kentucky gave me a year's leave of absence. I'm computing for the Navy on sound and radio devices.

"Cordially yours,
"ALICE JOY KEITH."

Burch House Saved in Time

A serious blaze was averted at the home of Mr. and Mrs. Al Burch, S. Second St., last Saturday when Bill Morgan, son of the Burchs and member of the volunteer fire department, who was working in the back yard noticed the fire in the living room and went to work on it with a garden hose, at the same time that Mrs. Add Hall turned in the alarm. Morgan had the blaze under control when the firemen arrived.

The cause of the fire was of unknown origin.

Marilyn Rice Struck By Infantile Paralysis

Marilyn Rice, small daughter of Mr. and Mrs. Herman Rice, is in the hospital being treated for infantile paralysis. She is reported as responding well to treatment and her case is believed to be the only one in the vicinity.

Also in the hospital but expected home soon is her mother, Mrs. Herman Rice.

Richard Osborne Better

Richard Osborne, son of the Rev. and Mrs. Lawrence Osborne, is recuperating from a recent illness and expects to return to school next week. His brother, Tom, has had a letter published in the magazine, "Fellows", which tells which features of the publication he prefers.

Baby Daughter Arrives

Mr. and Mrs. Wray W. Cloyd, Union Ave., are the parents of a daughter, born Feb. 2 at O'Connor Sanitarium. The new arrival has been named Bonnie Rae.

Legion Honors Football Team

Legionaires learned last Wednesday night that an "Army travels on its stomach", as well as learning that so does a football team. The pot-luck dinner given for the local high school gridders, Legion members and their families, proved a highly successful affair. The pots were licked clean and chairs were finally shoved back as many bore that satisfied look a cat wears when returning from a successful mouse hunt.

More than a hundred forsook home cares to attend the affair. Coach Hill and his tableful of footballers were guests of honor. They repaired to the upper hall following the dinner to witness part of the Legion rites and hear a brief talk on "Cordination and Team Work", by Martin S. Walsh.

Ed Lee and his Sons of Legion announced through committeman Sanford Hedegard that initiation would be held Saturday night, urging all members to attend. Then at the regular Feb. 27 Legion meeting, this young group would be p resent to receive their charter. Twenty-two members were reported signed up at present, and one additional name was added during the course of the evening when Paul Wehunt anted up his dollar membership in the name of his newly-born son. He received undisputed honors for the youngest member.

In line with the San Jose Chamber of Commerce drive to settle the Hendy strike, Legion members voted to wire Union Leader Brown in Washington that he should exert every effort to bring a quick settlement. Prolongation of this wage dispute is seriously injuring the welfare of the whole community and a speedy end is demanded.

Baseball came in for a goodly share of discussion, with the final decision that all members interested in formation of a Legion team be present next meeting to present their plans. It was the concensus of opinion that both a Legion and junior team were feasible and furthering this aim will occupy part of the 27th meeting.

Coach Hill was called upon to present the members of his ball squad, and each stood as his name was called. Most of the seniors on the team were further called upon for a short response.

Those present were: Bill Hill, captain; Al Miller, Dewey Kosich, Dick Orlandi, Wayne Buck, George Gleed, Reg Gazay, Merv Nelson, Roy Wingartner, Eddie Bersano, Chas. Rizzuto, Dan Sutton, Levi Estrada, Jerry Finch, Dick Gouley, Bud Whitmore, Larry Lewis, Ralph McKee, Mel Estrada, Ray Russo, Warren Adams, Lowell Grattan, Dick Cotta, Jack O'Neal, Mac Martin, and Louis Barbaccia.

Celebration at Jensen Home

There was cause for celebration at the home of Mr. and Mrs. Henry Jensen last week when their son, Sgt. Bill Jensen, returned home with an honorable discharge after three years in the service. A graduate of Campbell High school, the former sergeant will return to San Jose State College next quarter. While in the service he was stationed at Lockbourne Army Air Base, Columbus, Ohio, and received his discharge at McLellan Field near Sacramento.

Also at the Jensen home was Mrs. Jensen's sister, Lieut. Lillian Shull of the Army Nurse Corps, who is on a 45-day leave. She has been in the service for four years, the last two spent with the 58th Field Hospital which saw service through France and Germany.

Lieut. Shull is at present visiting her mother in Chicago, but will return to Campbell before reporting back to duty. She expects to rejoin her unit which is maintaining a hospital in a former resort hotel at Bad Wiesse in the Bavarian Alps.

Talks on Buffalo Bill Days

Last Saturday night at the Oddfellows Hall in San Jose "Dad" Lee told the Sons of Norway about the early life on the Western plains and his experiences with Buffalo Bill.

ADVANCED JOURNALISM CLASS TO EDIT CAMPUS ECHO

Top Row: Charles Neel, Paul Harris, Elmer Wright, Anthony Zeppa. Lower Row: Carl Calloway, Betty Putney, Doris Raggio, editor; Joan Kennedy and Katherine Muschell.

The Campbell High school "Campus Echo", semi-monthly publication of the school, published its first issue of the new semester under the direction of the advanced journalism class with Doris Raggio as the new editor. Assisting Miss Raggio on the staff are: Charles Neel, Paul Harris, Elmer Wright, Anthony Zeppa, Carol Calloway, Betty Putney, Joan Kennedy, Katherine Stanton, Shirley Riblett, Bill Hill, Ray Flagg, and Mary Muschell.

Mrs. Louise Tordt, journalism instructor, is advisor for the paper which is printed by The Campbell Press.

For the first issue, the new staff changed the format of the paper with a new type face for the heading and added a front page colmn written by the editor. The new column, which carries the editor's picture, is called "X Ray".

The staff for the last semester was comprised of Pat Ralston, editor; Betty Putney, circulation manager; and Catherine Ban, advertising manager.

Grange Report

Meeting of Orchard City Grange held in IOOF Hall in Campbell, Tuesday, Feb. 12.

In the lecture program there was a musical program by the fellowing Campbell High school students: Virginia Grattan, saxophone; Joan Sanders, French horn; Elaine Wood, piano.

In the business meeting Martin S. Walsh, a prominent San Jose attorney, gave a very interesting talk on the gambling and vice conditions in Santa Clara County and their relation to the recent conviction of former Sheriff William J. Emig for conspiracy to violate the state gambling laws. As a result the Grange passed a resolution calling for strict enforcement of the law against slot machines with no compromise.

Refreshments served in the banquet hall were in the form of a pie social. An exciting auction sale of various kinds of pies was also held, with Martin S. Walsh as the auctioneer.

The next meeting will be held Tuesday, Feb. 26, at 7:30 p. m. The lecture program under the direction of Mrs. Nellie Rutherford will begin at 8:30. It will be a lecture and moving pictures on the workings of radar by Lieut. E. B. Benowitz, a navy officer of Moffet Field. The public is invited.

Ada Rebekahs Meet

Ada Rebekah lodge convened Tuesday evening, Feb. 19, with Neva Kenney, noble grand, presiding.

The hall was beautifully decorated, carrying out the Colonial theme.

Bella Collins, district deputy president, paid her official visit to the lodge.

Edith Morley and Ruth Livingstan presented Bella Collins, district deputy president, and Vertabel Brown, deputy marshal, gifts from the lodge.

Visitors and members enjoyed refreshments served by Edith Morley and committee.

The next regular meeting will be March 5, with Clara Baldwin, Evelyn Hereford, Lillie Carney and Lottie Rice.

The worst punishment of all is that in the court of his own conscience, no guilty man is acquitted.—Juvenal.

Philosophy triumphs easily over past and future evils, but present evils triumph over philosophy.—Rochefoucauld.

The Future Farmers recently held an election of officers for the spring semester. Richard Savoni succeeded Lawrence Groteguth as president; Richard Orlandi was elected vice-president; Joe Bernard, reporter; Lawrence Groteguth, treasurer; Loren Warning, secretary; Nate Dardanelli, sentinel; and Tony Burum, mascot. Other business brought up at this meeting were plans for a barn dance, a float for the Old Settlers Day parade, and the Father-Son banquet. Richard Savoni appointed Maurice Hoyt to serve as committee chairman for Old Settlers Day. The new president also promised that a new constitution would be drawn up in the very near future.

The fifth period farm mechanics class is involved in a series of large projects. Richard Orlandi recently finished the installing of two ingenious devices of his own invention, one to get the middle-aged sag out of his 1918 tractor, and the other to facilitate turning ninety degree corners with his spray rig leaving all parts intact. Lawrence Groteguth is building a loading chute capable of loading anything from bantam hens to elephants. Joe Bernard and Nate Dardanelli are slowly finishing the rehabilitation of a worn-out trailer. Tony Burum and Loren Warning are doing a face-lifting job on two cultivators, consisting mainly of six coats of paint to cover up defects. Roy Tsurada, George Tominaga, John Okashima, and Tom Nakagawa are constructing several picnic tables for the use of the general student body.

NO FUNERAL BILLS TO PAY!

Now, by taking advantage of this low-cost, state-supervised plan you can *eliminate* all worry of funeral and burial bills! No matter how little you may have paid in under the Forest Lawn Protection Plan, cash for funeral expenses is instantly available whenever the need arises! There is no red tape; never an assessment.

We recommend this low-cost plan as the finest funeral insurance available today, and shall be glad to have full details sent you upon request. No obligation.

Campbell Teacher Is Married

Miss June Margaret Gross, Campbell High school teacher, who announced her engagement here recently, was married to Jack G. Nash, son of Mr. and Mrs. E. G. Nash of Brentwood, at afternoon rites at St. Joseph's church in San Jose last week, with Father John J. Laherty officiating.

The new Mrs. Nash is the daughter of Mr. and Mrs. Peter N. Gross of Los Altos and is a graduate of San Jose State College. She has been teaching at the Campbell elementary school since her graduation.

Now on terminal leave from the Army, the bridegroom wears the Presidential Citation and French Croix de Guerre won in the European theater. A graduate of the University of California, he is now associated with a chemical laboratory in Brentwood where the young couple will make their home following a wedding trip to Carmel and Southern California.

For the ceremony the bride wore a gown of white chiffon velvet with a train and also a fingertip veil. Her flowers were gardenias with a white orchid. Her attendants were her sister, Miss Marian Nash of Hollister; Mrs. Robert Elking of Hollister; Mrs. F. J. Sanders of Ontario, and Miss Barbara Mentz of San Jose. They wore pastel net frocks with matching shoulder veils and carried Talisman roses.

Robert Folel was best man with his cousin, and ushers were Robert E. Gross, the bride's brother, Waverly M. Jarvis of Hollister and Paul Wemer of San Leandro.

A reception was held at the Hotel Sainte Claire silver room for the newlyweds following the ceremony. The bride chose for her going-away outfit, a pastel blue suit with brown accessories and a white orchid corsage.

Dr. Reinhardt To Deliver 8th Lecture

Dr. Aurelia Henry Reinhardt, who served as consultant to the U. S. State Department, at the San Francisco Peace Conference, last spring, will deliver the 8th in her series of 10 lectures on world affairs at 2:00 p. m. next Saturday, Feb. 23, in San Jose State College Little Theater.

"The Arab Federation,—An International Portent", will be discussed by this noted speaker. A newer regional organization is that of the six Arab states. Its kinship to Egypt and concern with Palestine is significant. Dr. Reinhardt has traveled extensively and her personal observations and study of each country add greatly to the interest and value of her discussions. A retired president of Mills College, she founded the Institute of International Relations, long held each spring, at that institution.

This series of lectures was prepared for and are under the direction of the San Jose Garden Forum. Mrs. Bertha M. Rice will preside, and the Rev. Nathaniel P. Lareat, pastor of the Unitarian church, will offer the invocation. The public is cordially invited. Tickets at the door.

There never was any heart truly great and generous that was not also tender and compassionate.—South.

Valentine Baby Arrives

Arriving as a valentine for her parents, Judith Lynn Harris made her debut into the world at Oak Knoll hospital in Oakland, Feb. 14. Her mother is the former Marilyn Williamson of Campbell, and her father, Chief Eldon Harris, USN, is at present recovering from an operation at the U. S. Naval hospital in San Diego.

Grandparents are Mr. and Mrs. W. W. Williamson of Alder Point, and Mr. and Mrs. C. L. Harris of Campbell. The new arrival also has a great, great grandmother, Mrs. Alta Pratt of Anita, Iowa.

The first burial in San Francisco's Mission Dolores was in March, 1777.

Schools Face Problems

Proof that the Campbell schools face a crisis in handling increased enrollment is evidenced in figures compiled by James Dent, high school principal.

Based on average daily attendance figures, Dent's compilation shows the number of pupils attending Campbell, Cambrian, Moreland, and Union, the four schools within the district. Campbell Elementary school has grown from 795 in 1940 to 1153 at the present time; Cambrian from 128 to 207; Moreland from 67 to 117; and Union from 28 to 64.

Almaden school, although outside the district, also sends its graduates to Campbell Union high school and it has grown in the past five years from 209 to 280.

This means that in the school year 1940-41 there was a total enrollment in the five grammar schools of 1230. Today that total enrollment is 1821, an increase of 591.

Although the enrollment at the high school is less than it was five years ago the reasons for the decrease are being removed and the large numbers being fed into the high school from the grammar schools will, it is expected, make the school inadequate within the next two or three years.

In 1041-42, the high school had its peak enrollment of 677. Since that time the construction of Abraham Lincoln High school took away some of the students who commuted from San Jose; the large number of Japanese students was removed to relocation centers; and the Army and Navy made large encroachments on the male students.

The return of the Japanese and the lessing need of enlistment in the services, coupled with the rapid growth of the district have the school board worried. Although building plans of the board called for the construction of a swimming pool and cafeteria, it looks as though more utilitarian building will be necessary.

It is impossible to estimate accurately the number of new families who will come into the district during the next few years, though Dent has a large map in his office with colored pins designating new homes now being built.

At present the high school enrollment includes 65 pupils from Almaden, 60 from San Jose and 31 from Burbank. While tuition is paid by these students there is no money available from their districts toward capital investment in the local schools.

Superintendent Dent has proposed a meeting of all the surrounding school boards to discuss the problems confronting them and to work out a long-range building program.

New Navy Program

Because there are many college men who do not qualify for the present Navy V-5 program due to age limitation, a new naval aviation cadet training program is announced in addition to the present Navy V-5 program.

Unlike the current Navy V-5 program, which requires a high school diploma in order to qualify, the new aviation cadet program requires an applicant to have completed at least two years of accredited college work and be 18 years of age, but not over 22 years of age.

Men who qualify for the new program will be enlisted as aviation cadets and will be ordered credited college work and be 18 proximately March 1, 1946.

This program will appeal to any young college men who are subject to selective service and who desire to qualify for officer training in post war naval aviation.

Full details of the new program will be given by writing to the office of Naval Officer Procurement, 785 Market St., San Francisco, Calif.

Country Womans Club' Meet

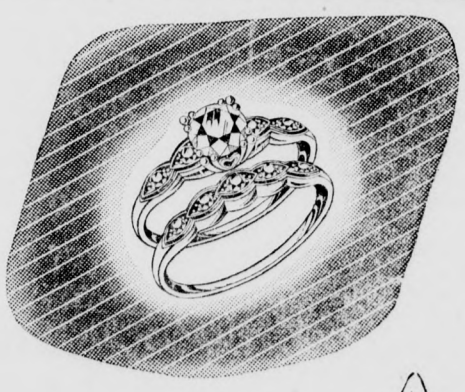

The Country Woman's club met for their regular meeting on Monday afternoon. The meeting was given over to Red Cross work. Miss Philomenia Goldsworthy gave a very interesting talk on the work done by the Arts and Skill corps of the American Red Cross at Shoemaker Naval Hospital. Mrs. Earl Buck and Mrs. Ray Flagg rendered two vocal duets, "Mighty Like a Rose" by Nevin, and "Let the Rest of the World Go By" by Ball.

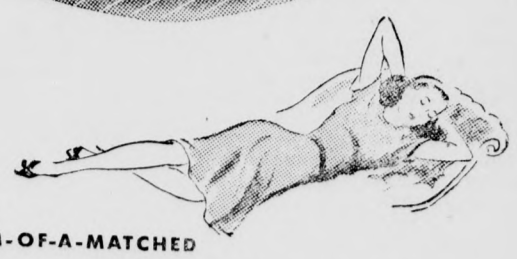

The committee for the day were Mesdames Jessie L. Shelley, E. C. Price, Hattie A. Baugh, John F. Duncan and Louella Ryan.

The next meeting of the club will be March 4 and Men's Night. Reservations for the dinner must be in by Thursday, Feb. 28.

Our companions please us less from the charms we find in their conversation than from those they find in ours.—Fulke Greville.

HI NOTES

Charles Busack To Head Senior Class

To get off to a good start this semester, the classes have elected very capable officers. The senior class will be headed by Charles Busach as president; Larry Lewis will work with him as vice-president, and Nina Page is the new secretary.

President of the junior class is Richard Villafuerte. The vice-president is Mary Monroe, the secretary is Eva Mae Lobrovich, and the sergeant-at-arms is Dick Gouley.

Officers of the sophomore class are as follows: president, Rolla Reider; vice-president, Dan Felice; secretary, Louise Karotaj; treasurer, John Giacomazzi; sergeant-at-arms, Ernie Wilson.

The freshman class has elected officers as follows: president, Don Abel; vice-president, Pat Fulson; secretary, Antonio Gutto; treasurer, Linda Finch.

Lincoln's Birthday Is Honored

At last! A noon dance. This long-awaited activity has been often promised in various candidate's platform, and at last it has become a reality. The dance, held on February 13, was announced by Tom Miranda at the assembly held on February 12.

The new freshmen were welcomed, and two selections were played by the orchestra.

"Lincoln, the Plain Man", was the subject of a talk by Ralph Noddin. This talk carried out the theme of the program which was held on Lincoln's Birthday.

Gloria Surian sang two numbers, accompanied by Nina Page at the piano.

The "Gettysburg Address" was recited by Dale LaMar. Mr. Triena then led the bang in playing "American Patrol' and "Something About a Soldier".

Student Officers Are Installed

Many familiar faces were seen on the stage at the last assembly held February 5. Larry Lewis, last semester's student body president, turned over his duties to Tom Miranda. Bonnie Decker gave the job of secretary to Janet Giacomazzi. The new council members are: Wayne Buck, Pat Ralston, and Kent Taylor.

Tom Miranda introduced Barbara Batti, who is the student manager for this semester. She introduced Betty Rich, commission of art; Anthony Lopina, supply; Vic Corsiglia, scholarship; Doris Raggio, journalism; Bonnie Decker, school affairs; Donna Leigh, social affairs; Ruby Simmons, finance; Dick Gouley, boys' athletics; Joan Kennedy, girls' athletics; David Solon, literary affairs; Mac Martin, music; Ethel Bianucci, records; Bill Underwood, awards; and Jean Dugan, drama.

After the meeting was called to order and the minutes were read, Mac Martin, Mark Giovanetti, and Edgar Hillman played a trumpet trio. Lorin Silva entertained the students by playing two pieces on the piano. Mr. Dent then installed the new officers and commissioners.

Valentine Dance Proves Hit

"Why aren't all our dances like that?" was a comment made about the valentine dance held on February 8. It was really tops.

The attendance was high and the best part about it everyone danced.

Two big light shining on big, red, lace-trimmed hearts on either end of the gym brought out the valentine theme of the dance.

The music was furnished by a real live band. The arrangements were by Bill Smith and put all in a dancing mood.

Gym Blows

Bud Wightman is the solo man who brings his trumpet into his second period gym class. He gently lays it down on the bench just as muscular Doug Hughes comes tramping in. Hughes picks up the instrument and immediately has his ruby lips wrapped around Bud's $125 trumpet. He blows and blows, and then—yes, then he starts riffing the hot harmonious licks and makes all cats sit up and listen.

The school established by the Padres at Santa Clara Mission still stands on the campus of the University of Santa Clara.

Monkeys, apes and lemurs grow grey and become bald, like human beings.

The wire corn-popper was invented in 1883.

Nuptials Held At Rich Home

More than a hundred relatives and friends attended the wedding of Mrs. Camella Lee Hagen, San Francisco, and Reynolds Kelly, also of San Francsico, which was held last Saturday evening at 8:30 at the home of the bride's sister, Mrs. Harry Rich, Winchester Road. The new Mrs. Kelly is the daughter of Mr. and Mrs. L. Lee of Campbell.

The Rev. Robert L. Carlson of the Congregational church performed the wedding rites.

Throughout the house, arrangements of pink camellias furnished the keynote of the floral decorations. The bride's table, lighted by ivory tapers tied with blue ribbons, was centered by a three-tiered wedding cake surrounded by pink camellias.

Preceding the ceremony vocal solos were given by Mrs. Harry Rich and Mr. Jack Brown of San Jose. They were accompanied by Mrs. Dorothy McGinty.

The bride wore a blue brocaded satin dress made in princess lines with a pale blue shoulder length veil. Her corsage was of pink orchids.

Attending Mrs. Kelly as matron of honor, was Mrs. Arthur Rittenhouse of Santa Cruz, who wore a fuschia dress and carried American beauty roses.

Following the ceremony Mrs. Ellis Kelly, sister-in-law of the bridegroom, poured. Mrs. Rich chose as her costume for the occasion a princess-type gown of powder blue.

The newly-married pair left for a wedding trip in Southern California and will on their return make their home in San Francisco.

Footlighters Move

Evicted from their former meeting place in the Curry Building, the Footlighters, Campbell's amateur theatrical group, will meet henceforth in the rumpus room in the home of Mr. and Mrs. Budd Levenberg, San Jose-Los Gatos Road.

Krohns Visit

Mr. and Mrs. Walter Krohn of San Francisco arrived early this week to pay a short visit at the home of Mrs. Krohn's mother, Mrs. Edna Smith, who accompanied them back to San Francisco for a stay of several days.

Fulton Lewis Jr. Will Speak in San Jose Auditorium

Fulton Lewis Jr., ace reporter on national affairs, gives a lecture on "Democracy With a Gun in Her Ribs" in the San Jose Auditorium on Friday evening, March 8. Mr. Lewis is sponsored by the Loyal Knights of the Round Table, and tickets are on sale at the Denny-Watrous box office, San Jose Auditorium.

Study Group Gets Diplomas

The study group of the Campbell Grammar School PTA unit recently received diplomas for having successfully completed a course in parliamentary procedure. Mrs. Charles H. Danforth, who was the instructor, presented the certificates at an afternoon tea at her home on the Stanford campus. There were four PTA units represented in the group.

Those who attended from Campbell were Mesdames R. E. Schaefle, chairman; Anthony Jurras, John Perata, F. Bersano, J. J. Enfantino, F. Franceschini, Wayne Lenz, Clara Fagalde, and Eva Booker.

Womens' Service Club to Meet

The Women's Service Club of Campbell will meet the afternoon of Feb. 27 at the home of Mrs. Guy Farley on Alice Ave.

Assisting hostesses will be Mrs. Helen Robertson and Mrs. Claudine Hancock.

Attends Pastoral Conference

The Rev. Robert Carlson, newly-ordained minister of the Congregational church, attended a pastoral conference in Berkeley on Monday, Tuesday and Wednesday of this week.

Guano deposits on the islands off the coast of Peru yielded $375,000,000 profit during the past 25 years.

Large Whist Party Planned

Members of St. Lucy's parish will join with St. Martin's parish for a joint whist party Tuesday, March 5. The party will be held at St. Martin's parish hall, 1941 W. San Carlos St. There will be both prizes and refreshments.

Serving on the committee from Campbell's parish are: Mesdames Joseph Souto, Joseph Texeira, Manuel Field, and Messrs. Manuel Vierra, Budd Levenberg, Joseph Hengstebeck and Harry Freitas.

Planning to Build this Summer?

When you are making plans for a new home or for the remodelling of your present home, be "fussy" about the capacity of your gas furnace, and the location of the heat outlets, the cold-air return and the wall thermostat. This is most important.

P. G. & E. RECOMMENDS
If you are planning a new home or modernizing your present one and you need help on house heating, come in and consult with one of our gas heating specialists. He will work with you, your architect and heating contractor to help you get a heating installation tailored to your home and your pocketbook. Use this Free Service. It will save you time, worry and money.

You will want your home comfortably warm on the chilly days of the cold-peak weather season. You will want plenty of heat, rapidly circulated for quick comfort in every room. You will get this from an automatic, forced-air Gas Heating System that is properly installed, and when you use such a heating plant, you will save money every heating hour.

When cost estimates come in and you look them over, choose the heating system that is engineered to do a first-class job of heating your home. What you might save by "skimping", you will pay for later on with less heating comfort, quickly worn-out equipment and higher fuel bills.

Remember, a furnace will produce only so much heat; it cannot be forced beyond the capacity its builders gave it.

CHRISTIAN SCIENCE

"Teach me, O Lord, the way of the statutes; . . . Give me understanding, and I shall keep thy law" (Psalms 119:33, 34). This is the Golden Text of the Christian Science Lesson-Sermon for February 24 on the subject "Mind"
"Science and Health with Key to the Scriptures" by Mary Baker Eddy: "No wisdom is wise but His wisdom; no truth is true, no love is lovely, no life is Life but the divine; no good is, but the good God bestows. Divine metaphysics, as revealed to spiritual understanding, shows clearly that all is Mind, and that Mind is God, omnipotence, omnipresence, omniscience,—that is, all power, all presence, all Science" (p. 275).

County Industrial Committee Reports

Advertising in the "Chicago Daily News" has ben added to the advertising program of the San Jose Chamber of Commerce-Santa Clara County Industrial Committee which already includes "Forbes", "United States News" "Business News", "New York Times", "Fortune", and "Natioon's Business". As a result of this advertising 462 inquirers in all parts of the world have written for the book "Post War Pacific Coast" to seure data regarding Santa Clara County. The book is now in its fourth printing.

The October issue of "Printer's Ink" carried an article entitled "Santa Clara County—A Pattern for Commuunity Advertising" in which the advertising of Santa Clara County is described in detail.

On a seven-week Eastern trip, Guilford W. Koch, manager of the Industrial Department of the Chamber, contacted officials of firms interested in locating plants on the West Coast and reported that the firms interested in the West Coast and Santa Clara County are widely diversified including manufacturers of oil burners, condensers, batteries, machinery, wax, auto parts, underwear, men's shirts, food products, womens' and children's dresses, dental and medical supplies, elastic web, baby carriages, candy, luggage, neckties and sportswear, milk bottle caps, overalls, steel products, bakery goods, furniture, glass, and paint.

Corey Made Sergeant

James William Corey is now Sergeant Corey, according to letters received by his wife from Osaka, Japan, where Corey is a member of the Infantry in the Army of Occupation. He has been in Japan since last November and reports that the weather is similar to California's in that the days are mild and the nights chilly, but there is occasional snow. He finds the country interesting and the people friendly.
He was engaged in construction work in the Aleutians before entering the service, and his wife and daughter, Linda, live on Alice Ave.

Lessards Have Guest

Mr. and Mrs. A. J. Lessard, 171 Alice Ave., had as their guest for several days last week, Mrs. Anna Keys of Oakland. Mrs. Keyes returned home last Thursday.

Poetic Tribute To Old Settlers' Day

In honor of Old Settlers' Day, Clara Beebe Baldwin has written an original poem paying tribute to the early settlers.

THE PIONEERS

Hail, all hail to the Pioneers!
To the men who have made our state,
They journeyed from far off countries
With the key to the Golden Gate.

Our pioneer Mothers, God bless them,
For the part they took in the fray;
Our Native Sons and Daughters,
Will arise and bless them today.

They have made, our state, a garden,
Those pioneer men of old,
Who answered, from round the planet,
To the call of the garralous gold.

With their oxen and prairie schooners,
They placed their trust in God,
And bravely blazed the trails, new,
O'er leagues of land, untrod.

Now cars for sleeping, cars for smoking,
Cars where one may dine,
Flash o'er the oxen trails,
They blazed in forty-nine.

Our harbors teem with commerce,
Our towns are marts of trade,
For they wielded wealth compelers
Outside the pick and spade.

Hail, all hail to the pioneers,
To the fathers and mothers, too,
Trusting all, their faith in God,
They builded better than they knew.

—Clara Beebe Baldwin.

Raye Due Home Soon

Sgt. Francis W. Raye, husband of Mrs. Lois A. Raye, of 317 Harrison St., is one of 2050 Army veterans returning to the States for discharge aboard the USS Funston, a ship of the "Magic Carpet" fleet. This ship left Saipan, Jan. 25, and is scheduled to arrive in San Pedro soon. The USS Funston is one of hundreds of Navy attack transports which operated as key ships in U. S. amphibious invasions of Jap-held islands throughout the Pacific war.

Box Office
Reporter

"Johny Angel", with George Raft and Claire Trevor which comes to the Campbell Theater this week is a film which exerts a curious spell, due in part to the relatively unfamiliar setting, and in part to the fact that its producer and director are aware of the fact that the camera can put over a point in silence. There is none of the reliance on dialogue which makes so many melodramas resemble a high school debate. Instead, its makers have achieved mood and suspense through carefully accented moments of action, photographed in low key, against a background of seascape, fog, and Spanish moss.

George Raft and Signe Hasso are the central characters in a screenplay reminiscent of "Casablanca" and "To Have and Have Not". Indeed, if Miss Hasso were a blonde, and Raft's features less symmetrical, the pair might pass for Humphrey Bogart and Lauren Bacall. As it is, they make an interesting change. Hoagy Carmichael's role, also, is similar to his part in "To Have and Have Not". He's a taxi-driver this time, but he manages to get near a piano a couple of times, and when he's not playing, he's singing.

The story's opening suggests that famous mystery of the sea, the case of the "Marie Celeste". Raft boards a freighter drifting in the Gulf of Mexico, and finds the cargo safe, the ship intact, but apparently deserted. Bloodstains and a woman's shoe give mute testimony to some form of foul play.

Raft, whose professional interest is heightened by the fact that the schooner's missing captain was his father, picks up the shoe and sets out to find the girl it fits. His search takes him through the French Quarter of New Orleans, in and out of bars and business offices, and leads at last to a deserted house on an island in the bay. There he learns what really happened aboard the freighter, why it happened, and who killed his father.

Claire Trevor's portrayal of the wife of a steamship magnate is convincing, and in pleasing contrast to Signe Hasso's role of a wistful French girl. Lowell Gilmore is a suave civilian, and Margaret Wycherly contributes a brief but notable bit as the elderly secretary-nurse.

Kiwanis Club Goes To Los Gatos

By BILL WEEKS

The joint meeting of the Campbell and Los Gatos Kiwanis clubs was held Thursday noon at Hotel Lyndon, Los Gatos, with a very nice attendance.

The luncheon was all that could be wished for and a good time was had by all, it seems.

The highlight of the day was the speech by Mrs. Katherine Sullivan, No. 1 policewoman of San Francisco.

The subject was "Child Delinquency and Its Problems", and Mrs. Sullivan seems to have all the answers. The audience was most attentive and seemed to enjoy every minute of it, and many remarks have ben heard since, and all of them complimentary.

The speaker was high in her praise of Chief of Police Dullea, Lieut. Healy, her immediate superior, and Lieut. Meehan, a coworker.

Bill Balch of the Los Gatos club was chairman of the day and introduced the speaker.

With Mrs. Sullivan were Mrs. Frank R. Bergstresser and Mrs. Alta Allyn.

Mrs. Bergstresser is a volunteer member of the Big Sisters bureau, a 12-time blood donor, past president of Pacific Women's Press Association, past regent of the D.A.R., and at present a national officer of the Woman's Press Association. She lives at 2323 Larkin St., San Francisco.

Mrs. Allyn is also a volunteer member of the same bureau, and has just recently been discharged from the Coast Guard with the rank of ensign. She served two and one-half years. Her home is at 2232 O'Farrell St.

All three ladies were very interesting. To sum it all up, it was a most interesting and instructive day.

Campbell High PTA Study Group to Meet

Campbell Union High PTA study group will meet for a demonstration of cleaning and adjusting sewing machines on March 1, from 10 to 3, at the First Methodist church. Mrs. Winifred will be in charge and everyone is welcome. Plan to bring your own sewnig machines. The machines will be picked up. For details phone Mrs. Henry Jensen, Campbell 3376. Bring service for potluck luncheon.

Mrs. H. C. Nelson, Casey Road, is recovering from a severe case of flu coupled with tonsolitis.

Moreland Notes

By Moreland Student

Moreland school won her second victory in the elementary basketball league in a close game with Almaden, Feb. 15. The game was to be played at Moreland, but due to weather conditions it was played at Almaden. Moreland won by a close margin of two points. The final score was 11 to 13, in Moreland's favor. Most of the points were scored in the second and third quarters. The last was hard going because it was raining slightly.

The Moreland boys' basketball team is steadily climbing in the 1946 basketball league and will play Alum Rock next week on Moreland's court.

Girl Scout Troop No. 31, Moreland school is planning an evening program for their parents on Tuesday, Feb. 26. There will be a play based on the life of Juliette Gordan Low, the founder of the Girl Scouts of America. In the final scene each girl will represent a foreign country. The setting of the last scene is Camp Edith Mace where the first world camp was held in 1926. Each delegate will throw a stick of wood into the burning fire. They hope the play will be successful in promoting world peace.
